

The Alfond Scholarship Foundation
offers a great resource for Maine families
whose children have an Alfond Grant

MyAlfondGrant.org

MyAlfondGrant.org provides information to parents as their children grow. Using MyAlfondGrant.org as a starting point, families can track the value of the Alfond Grant over time — and see it online — on a website administered by the Finance Authority of Maine (FAME) which assists with administering the grant. MyAlfondGrant.org also offers information, tips and resources from the Alfond Scholarship Foundation for kids and parents alike, starting at birth and carrying through high school.

Harold Alfond was a Maine businessman and philanthropist who wanted every Maine baby to have the opportunity that higher education brings. He established the non-profit Alfond Scholarship Foundation to invest \$500 at birth for every Maine resident baby for their future education. *(From 2008-2012 the grant was available on a more limited basis.)* Now it's up to parents, families, partners, employers and others to also invest in the future of Maine's children.

MyAlfondGrant.org offers resources and information that will be helpful in the journey to higher education. Here you can also create a MyPlan (and enter to win a gift card) and Like us on Facebook! At MyAlfondGrant.org you can access a website administered by FAME to update your contact information (including an email) and sign up for e-delivery of the Alfond Grant Update!
