# Welcome to **MAGTown!**

ACTIVITY BOOK

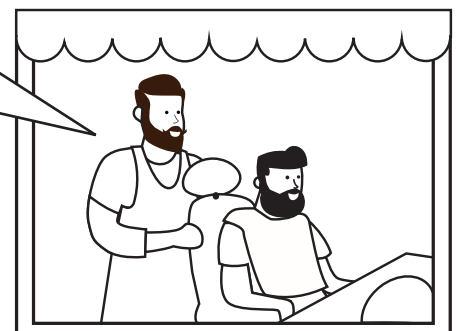

# You might go to a barber or hairdresser to have your hair cut.

Now, it is your turn to style some hair.  
Draw a fun hairdo around the face!

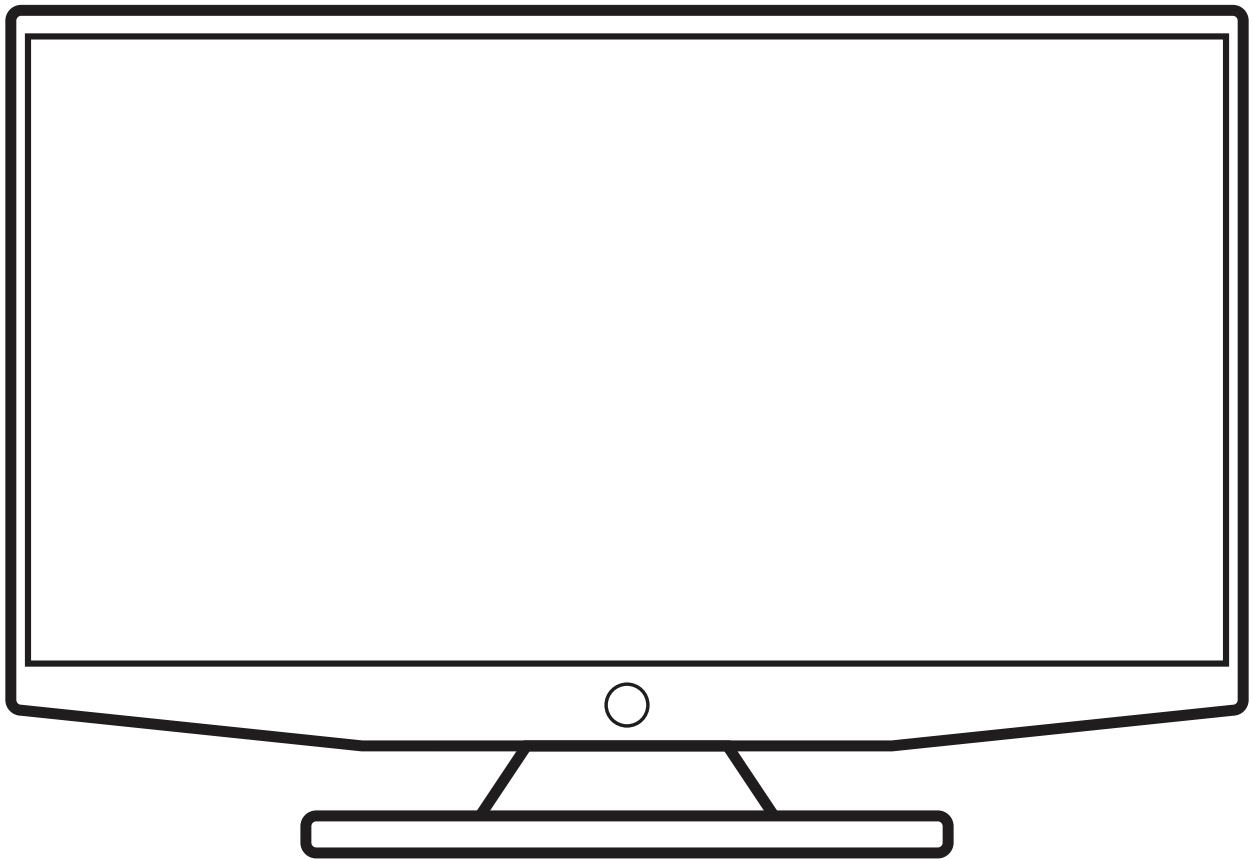

**I own a barbershop in our town.** I went to school after high school to learn how to cut hair. I also learned business skills to help me manage everything that happens here. I enjoy working with many different people every day and like being my own boss.

**I'M A BARBER**

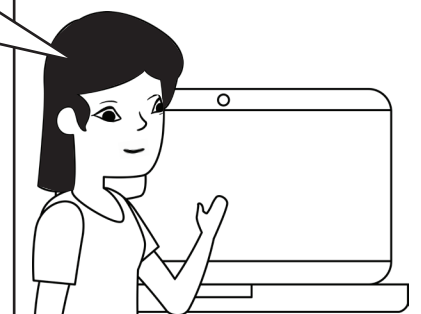

# Game on!

What's your favorite game?  
Draw it on the designer's computer screen!

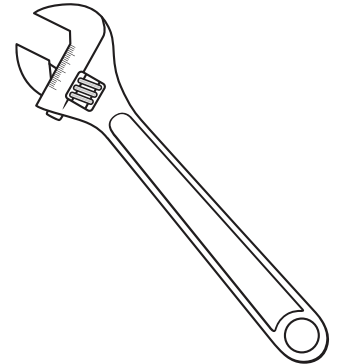

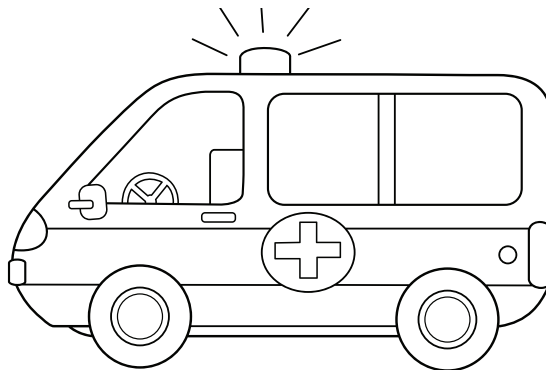

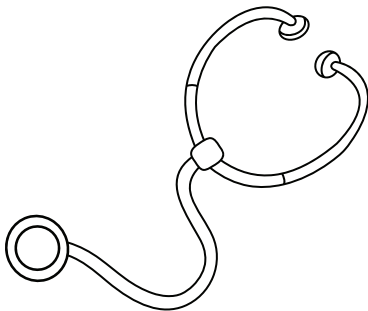

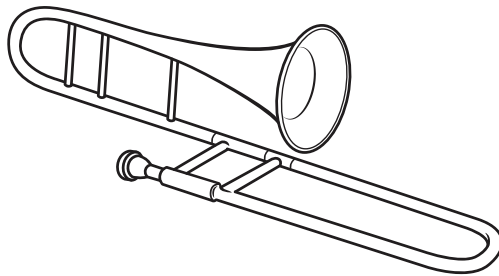

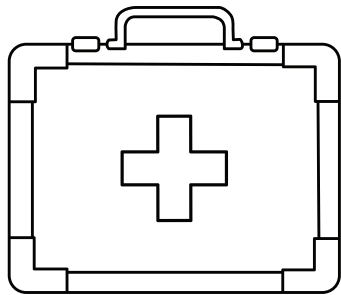

**Game designers use technology** to create games for fun, education, exercise, and more! Game designers are often skilled artists who draw from creative writing, graphic design, and computer science in their work.

**I'M A GAME  
DESIGNER**

# CARING & COMPASSION

Circle the items below that a nurse might use for their job and color them in!

**Nurses provide treatment to patients** and help them stay healthy. They prepare patients for exams and provide medicine when it is needed. Many nurses specialize in certain areas.

**I'M A NURSE**

# Order in the court!

LAWYER										

Judges make many important **decisions** and ensure the rules of a court are followed. Judges sometimes determine how a court case will continue based on their knowledge of the law.

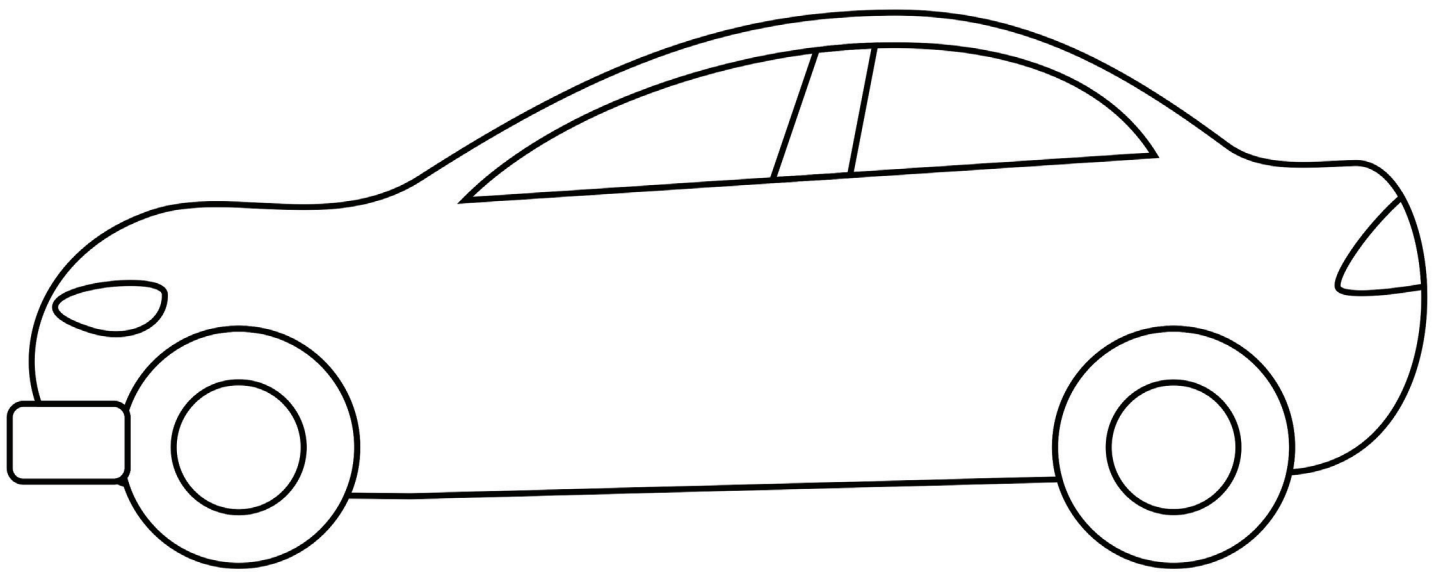

I'M A JUDGE

# BEEP! BEEP!

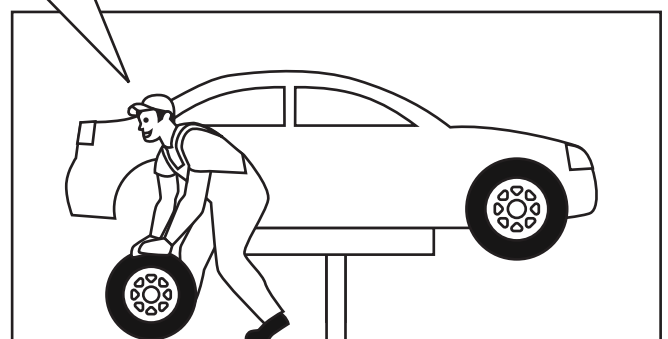

**When a car breaks down or needs repairs, a mechanic at your local car repair shop will fix it.**

Color in the car below using your favorite colors!

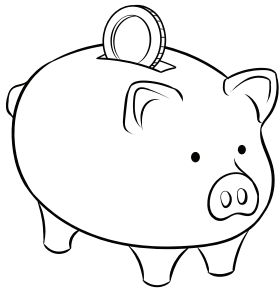

**I work at a local car repair shop.** I work on local cars and repair them. I took a class at my career and technical school and learned a lot before I started my job here. Did you know most cars today are run by computers?!

**I'M A MECHANIC**

# Loan approved!

Are you saving up money for something special? Draw it in the space below!

**I'm saving for:**

**I'M A LOAN OFFICER**

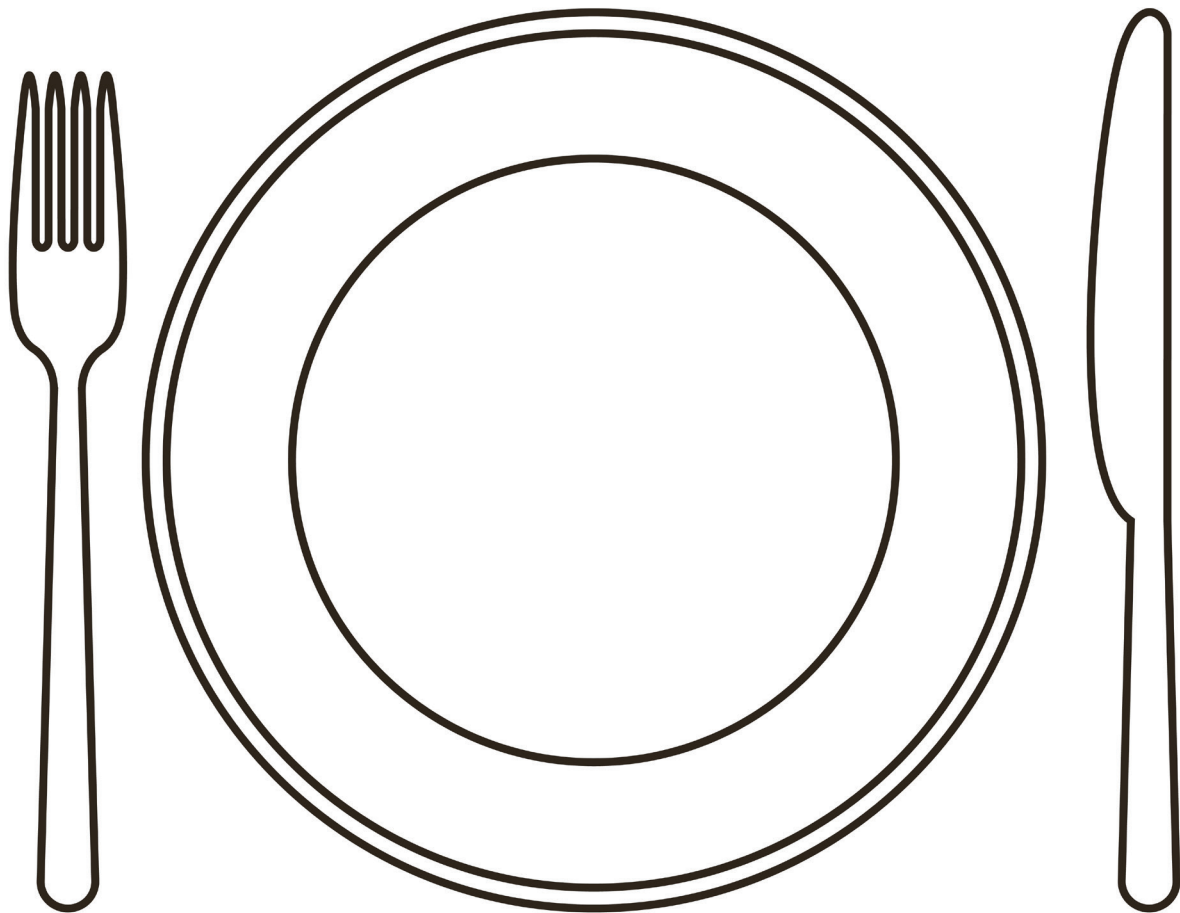

**A loan officer at a bank** helps people apply for the right type of loan and also helps them create a payment plan for paying the money back. When people want to make a big purchase, like a car or a house, they often take out loans to cover part of the cost.

# BON APPETIT!

**A chef makes delicious food and helps manage the kitchen at a restaurant.**

What's your favorite food to eat? Draw it on the plate below!

**I am a chef.** I manage the kitchen and help prepare food. I went to a community college after high school so I could learn how to make tasty meals for my customers.

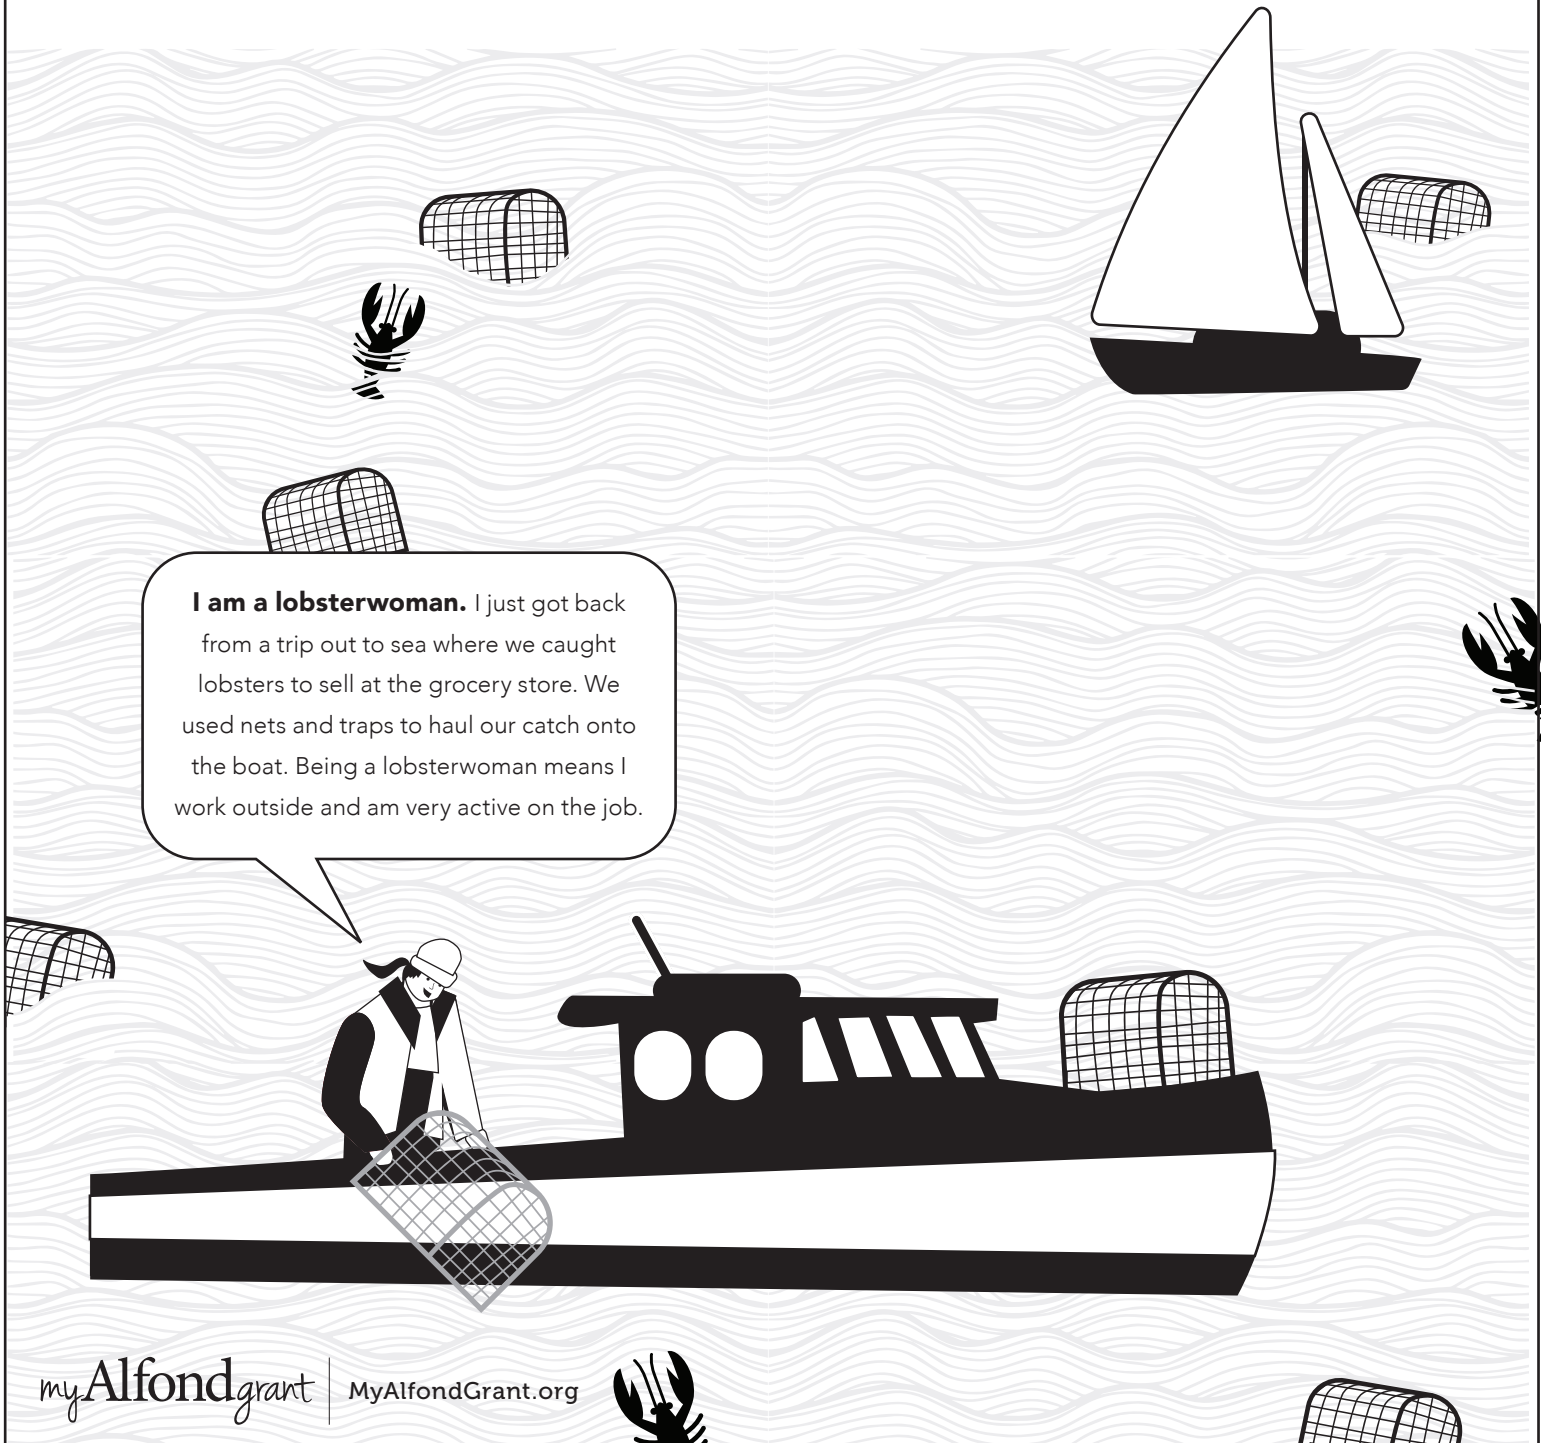

**I'M A CHEF**

**You might see lobster boats  
when you visit the ocean. Lobstermen and  
women work on lobster boats and the  
traps they use are called "lobster pots."**

How many lobster pots do you see?

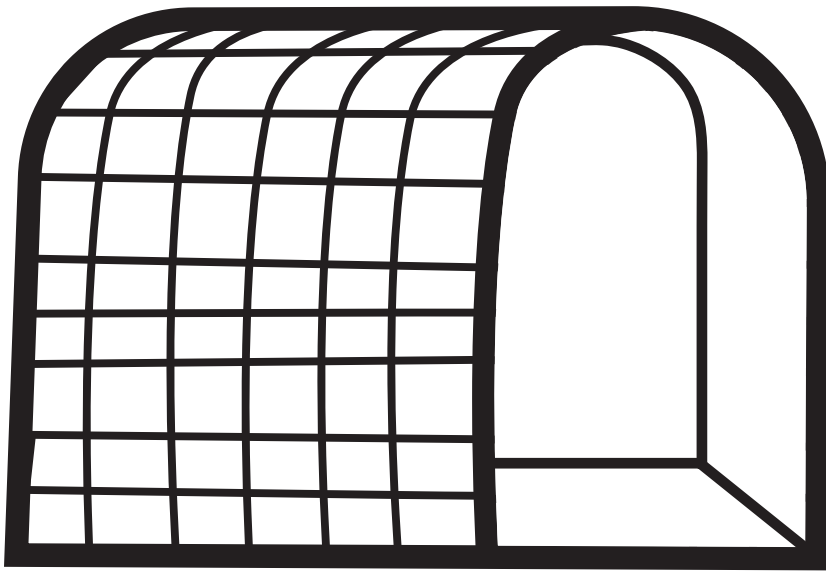

**I am a lobsterwoman.** I just got back from a trip out to sea where we caught lobsters to sell at the grocery store. We used nets and traps to haul our catch onto the boat. Being a lobsterwoman means I work outside and am very active on the job.

# FUR BABIES!

**A veterinarian helps keep animals healthy and takes care of them when they are sick.**

Draw your favorite animal in the pet carrier!

**I'M A VETERINARIAN**

**I work as a veterinarian.** I take care of animals and keep them healthy. I use math and science every day. I went to college and studied Veterinary Science. Do you have any pets?

# CHOP! CHOP!

**Loggers spend their days cutting trees and logs, and they love to be outdoors.**

How many logs do you count?

**I am a logger.** I spend my days cutting trees and logs. I run my business and have to use math skills every day. I learned about logging through courses at my local high school and community college and have a special license as something called an arborist.
