

# Road Trip 1-Spy

Asking "Are we there yet?" won't make a car trip go any faster, but you know what will?

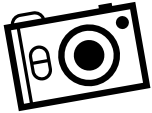

**A fun activity!** Set the screens aside and play the games below — you may spot something unexpected out your window!

## I-Spy:

- A lake, pond, or the ocean
- An out-of-state license plate
- A bridge
- A boat
- An animal
- A motorcycle
- A tractor
- A blue car
- A camper or tent
- A car with a dog in it

Write down the different state license plates you see:

## Make your own license plate:

**Be sure to add:**  
A state, your motto,  
your license plate  
number, and a  
picture (such as a  
state bird, state flower,  
or state animal)
