myAlfondgrant
Inspiring families to invest in their children's future

Small steps today. Big impact tomorrow.

The $500 Alfond Grant is a great place to start.

Did you know your child may have the $500 Alfond Grant waiting for them? Thanks to the generosity of businessman and philanthropist Harold Alfond, if they were born in Maine in 2013 or later, they have an Alfond Grant (for Maine children born 2008–2012 it was available on a more limited basis).

Find out if they have the grant and how much it could be worth today at:

MyAlfondGrant.org/poster

The Alfond Grant is a jumpstart to the future. Whether it be for college, trade school or certificate programs, you can build on this great beginning with Maine's 529 plan, and your ongoing contributions—even in small amounts—can make a big impact. Already saving? Keep going! Looking to start? We can help.
